

HAYA ASSAAD

ARCHITECT AND URBAN PLANNER

An architecture graduate who enjoys exploring new languages and working on diverse architectural design projects. I am passionate about creating vibrant, life-filled spaces that offer unique and innovative experiences, respond to human needs, engage the senses, and seamlessly integrate form and function. I am highly proficient in architectural software, particularly Revit, which I used to develop all my projects during my studies. In addition, I have strong expertise in visualization and graphic design programs.
